“ Winter Gardens Academy is a welcoming school where all pupils are valued and nurtured. ”

“ Leaders are ambitious for all pupils to achieve their full potential. ”

## Welcome to Winter Gardens Academy and Nursery

A Primary School where the education of the individual child defines every activity we do.

All children are treated as individuals; there is no 'one size fits all' approach. Personalising learning is our aim, giving children the education they need and want. Learning is active, hands on, engaging and fun.
