

Intent for Art and D&T	
1. NC	Our intent for Art/ D&T follows the purpose of study and the aims of the National Curriculum.
2. Barriers of the children	Our children will have extended exposure to a diversity of art, range of different skills techniques and mediums. Our children will experience great knowledge of art history and understand the impact on wider culture. Our children will have confidence to reflect, improve and evaluate their own work.
3. L2L	We want our children to be able to show resilience in learning but being able to reflect on their work, improve it and evaluate the impact of the changes made (growth mindset).
4. Integration	Children will respect, celebrate and understand differences and similarities in traditional art and design from a range of different cultures.
5. Application	We want our children to be able to know a range of art and design techniques and understand when it is appropriate to use each one. We want the children to apply real world experiences and observations to their designs.
6. caring	We want our children to understand that innovation and creativity can impact quality of life and be an emotive tool.
7. Human dimension	We want our children to understand the impact that art can have on wider society and drive political change.
