

5th September 2023

Dear Parents/Carers,

Welcome back to the new term! We are very excited to be able to offer a variety of clubs again! Please find below information about the clubs on offer for the Autumn term. Due to RAAC we are limited to certain clubs, however this will be reviewed as soon as possible.

After School/Morning Clubs

PE clubs will change on a termly basis based on the children's choices and upcoming events/competitions. Class teachers will be providing a variety of clubs this year to provide wider opportunities for the children, so please look out to see which exciting clubs will be available.

Please indicate on the attached form, by ticking the box on the right-hand side of each table, if your child would like to attend any of the provided clubs. They can choose as many as they wish. All clubs are free of charge. The clubs have limited spaces so they will be allocated on a first come, first served basis, which will include a range of children within each appropriate year group.

Please complete by returning the attached form to class teachers by Thursday 7th September 2023

On **Friday 8th September 2023** you will receive a text notifying you of the clubs your child has been allocated. If you do not receive a text to say your child has been allocated a place this half term, they will have been placed on the waiting list and receive priority next half term. Clubs will **begin on Monday 11th September 2023**.

Please check Dojo for cancellations or changes to clubs. We will be continuing the school aim to develop children's pride in their self/learning and part of this is for the children to show commitment in their learning and development. Therefore, once children sign up to a club we expect them to attend regularly unless there are any unforeseen circumstances. If your child misses sessions on a regular basis, unfortunately their place will be given to another child. Please ensure your child is provided with the appropriate clothing/footwear for all weathers.

If you have any suggestions or ideas for extra-curricular clubs you would like to see on offer, we would appreciate your comments.

Thank you for your continued support.
