

1st March 2024

Dear Parents/Carers,

Year of Numbers Active Maths Festival - Year 1 at the Deanes

Your child has been selected to represent the school on **Monday 11th March 2024** in a Maths Festival, in association with Teach Active, aimed at encouraging students to learn numeracy/mathematical skills in fun and active ways which link with physical activity. The festival will provide a carousel of stations, each focusing on maths skills through activity. The event will be held at **Deanes** and commences at 12:00pm and finishes at 2:30pm.

We will be travelling by minibus. Your child will need to attend school in their PE kits, trainers and a packed lunch. Please inform us if your child will need a cold packed lunch provided by the school.

Please complete the reply slip below, indicating whether your child is able to attend the festival and travel in the minibus and return no later than **6th March**.

Yours sincerely,

Mrs Lawrence
