Dear Parents/Carers

Firstly, we wanted to say what a wonderful term we have had with the children. They have worked incredibly hard in all areas of the curriculum and we really could not ask any more of them.

When we return from the holidays, we are on our final countdown to the SAT tests. As always, all we ask of them is to try their very best.

With this in mind, we have been thinking about Easter homework. SATS are so close, and we truly believe that a little homework will help to keep their brains ticking over and prevent them from forgetting key skills we have been working on. As a result, children have been given Easter revision books to work on at home. We have also included some key spelling words and grammar resources.

We really appreciate your continued support and hope that the children have a wonderful half term break.

Yours sincerely
