

Intent for PE	
1. NC	Our intent for PE follows the purpose of study and the aims of the National Curriculum.
2. Barriers of the children	Our children will be resilient team players and have a positive outlook to sports and games. Our children will understand and embed values such as fairness, respect and determination Our children will apply their understanding of a healthy lifestyle to become physically and mentally confident.
3. L2L	Our children will have positive attitudes in order to persevere with physical activities for a sustained period of time. Our children will know their personal strengths and limitations in order to make decisions independently in order to lead healthy and active lives.
4. Integration	Our children will experience and be committed to a variety of extra-curricular PE clubs and take part in competitive competitions and festivals. Our children will have wider experiences that they would not normally have. To take a lead e.g. plays pals, sport councils and coaching Our children will aspire to sporting role models
5. Application	Our children will develop an understanding of how to improve in different physical activities and sports and know how to evaluate and recognise their own successes no matter how big or small. To understand and know when to change a strategy in order to improve and be able to review how it worked.
6. caring	Our children will be excited about learning new skills and passionate about keeping their bodies healthy both physically and mentally. Our children will adapt and take responsibility of their behaviour in order to compare their own performances with previous ones and demonstrate improvement to achieve their personal best . Our children will demonstrate good teamwork and sportsmanship
7. Human dimension	see above.
