

Intent for Music	
NC	Our intent for Music follows the purpose of study and the aims of the National Curriculum.
Barriers of the children	Our children will have exposure to a range of inspirational musicians and music from different genres, historical periods and cultures and will be able to reflect on and critique compositions created by professionals and peers.
L2L	We want our children to develop positive attitudes and be able to have the confidence to explore, create, perform and develop their skills showing perseverance and resilience when making mistakes.
Integration	Children will respect, celebrate and understand the differences and similarities in traditional music from a range of cultures.
Application	Our children will have opportunities to express themselves in a variety of ways including singing, creating and composing using a range of instruments. They will develop their ability to listen to, respond to and appraise music and will apply their knowledge and skills to plan, perform and evaluate.
Caring	We want our children to understand and enjoy the creativity and innovation that music offers. They will have a deep appreciation for the impact that music can have on the quality of life.
Human dimension	Pupils will collaborate with each other to plan, compose and perform.
