

"ALL AROUND THE UK"

Where do you think would be the best place to go testing forces and magnets? Do every day surfaces stop objects from sliding smoothly? Is there anywhere near your home that would be an ideal testing ground? Could you have a forces and magnets investigation afternoon?"

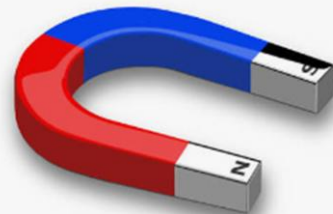

SUPER SCIENTISTS FORCES

Can you conduct an experiment at home to test forces? Could you explore water resistance in the bath? Could you create a paper plane that uses air resistance? If you change the shape of your plane, does the resistance change?

All Around the World

This half term in RE, we are exploring different beliefs. Can you ask your family and friends what they believe in? Does everybody believe the same exact thing?

Forces and Magnets

Magical Music

This year we will be listening to and appraising a wide variety of music styles. What is your favourite kind of music? Why do you like it? Could you create a band at home and perform some of your favourite songs?

Dynamic DT

Can you create a magnetic maze? Use some cardboard to draw a maze and use some magnets to navigate it!

Marvelous Maths

Place Value

We will be concentrating on understanding place value this half term. Can you practice at home too? Can you also practice reading and writing large numbers? Can you write them in words too?
